

Remote and Hybrid Work Policy

Nexus Technologies, Inc.
Effective Date: January 1, 2026

1. Eligibility

Full-time employees may request hybrid or remote work arrangements after completing a 90-day probation period. Part-time employees may work remotely up to two days per week with manager approval.

2. Hybrid Schedule

- Maximum three work-from-home days per week for eligible full-time employees.
- At least two days per week must be spent in a Nexus office or approved coworking space unless an exception is granted by HR.
- Core collaboration hours are 10:00 a.m. to 3:00 p.m. local time; employees must be reachable on company systems during these hours.

3. Equipment Stipend

Remote employees receive a one-time home office stipend of \$500 for ergonomic chair, desk, or monitor purchases. Receipts must be submitted within 30 days of hire or role change.

4. International Remote Work

Working from outside your home country for more than 14 consecutive days requires written approval from HR and Legal. Tax and payroll implications must be reviewed before travel.

5. Performance Expectations

Remote work is a privilege, not a right. Managers may revoke remote privileges for performance, attendance, or collaboration concerns with HR consultation.

Additional guidance on hybrid scheduling: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on security requirements: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on home network standards: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of

company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.
