

Employee Handbook

Nexus Technologies, Inc.
Effective Date: January 1, 2026

Introduction

This Employee Handbook summarizes key policies for Nexus Technologies employees. In case of conflict, signed employment agreements and official policy documents control.

Employment Basics

- At-will employment unless otherwise stated in writing.
- Equal employment opportunity for all qualified applicants.
- Personnel records maintained in the HRIS system.

Time Away from Work

Full-time employees receive 15 PTO days per calendar year with a maximum carryover of 5 days. See the Paid Time Off and Leave Policy (document 06) for accrual, blackout dates, sick leave, and parental leave details.

Work Arrangements

Hybrid employees may work remotely up to three days per week after completing a 90-day probation period. Core hours are 10:00 a.m. to 3:00 p.m. local. Refer to the Remote and Hybrid Work Policy (document 03).

Compensation and Expenses

Expense reimbursement follows the limits in the Expense Reimbursement Policy: \$75 daily meal allowance during travel, \$0.67 per mile mileage, receipts required over \$25.

Benefits Summary

Eligible employees receive medical, dental, and vision coverage. The 401(k) plan includes a 4% company match after one year of service. Open enrollment is November 1–15 annually.

Conduct and Reporting

All employees must follow the Code of Conduct. Report ethics concerns to HR or EthicsLine (1-800-555-0199). Managers must acknowledge reports within 24 hours.

Performance and Development

Annual reviews occur November 1–December 15. Ratings use a 5-point scale with 3 as the target "Meets expectations" distribution. See Performance Management Policy (document 07).

Dress and Communications

Business casual is the default standard. Social media activity must protect confidential information and comply with the Social Media Policy (document 02).

Acknowledgment

Employees must sign an electronic acknowledgment within 5 business days of hire confirming they have read this handbook and related policies.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager

and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on intellectual property: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of

company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on record retention: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace monitoring: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on employee privacy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on grievance procedures: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on organizational changes: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on business continuity: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on vendor code of conduct: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are

responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one

business day.

Additional guidance on intellectual property: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on record retention: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace monitoring: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on employee privacy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on grievance procedures: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on organizational changes: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on business continuity: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on vendor code of conduct: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business

Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on record retention: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace monitoring: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on employee privacy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on grievance procedures: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on organizational changes: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on business continuity: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of

company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on vendor code of conduct: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are

responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on intellectual property: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on record retention: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace monitoring: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on employee privacy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on grievance procedures: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on organizational changes: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR

within one business day.

Additional guidance on business continuity: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on vendor code of conduct: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on intellectual property: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on record retention: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace monitoring: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on employee privacy: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on grievance procedures: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on organizational changes: Employees should consult their manager and

HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on business continuity: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on vendor code of conduct: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on environmental responsibility: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on community engagement: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on workplace safety: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on leave of absence: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on pay practices: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of

company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on technology acceptable use: Employees should consult their manager and HR Business Partner when questions arise. This section reinforces consistent application of company standards, documentation requirements, and escalation paths. Managers are responsible for fair enforcement, timely communication, and referring complex situations to HR within one business day.

Additional guidance on travel policy: Employees should consult their manager and HR Business Partner when questions arise.
